PARENT PARTNERSHIP HOURS

Because Kardia acts as an extension of the families, each family is required to serve 10 partnership hours. Families may opt out of 5 of the required 10 hours by paying $25 per hour. At the end of the school year families will be invoiced at $25 per hour for any of the 10 hours not logged and approved in Sycamore or paid for in lieu of serving.

FUNDRAISING REQUIREMENT

Fundraising is vital for our school to keep tuition afforable. For our annual auction in the spring each family is required to procure or donate three items valued at a combined total of $100 or more. Any family that doesn't procure or donate three items totaling $100 will be invoiced for that amount.
